Hello. My name is Ayaka. I am a junior high school student. I would like to talk about our school festival.

Our school had a festival on the last Saturday and Sunday of September. On the first day, I was *in charge of our class exhibition. We made a *maze in our classroom. We used *cardboard to build the walls of the maze. We also decorated the walls with *fake leaves because it would look like it was deep in the woods. It took about two weeks to prepare. Many guests seemed to enjoy our maze.

On the second day, I performed at the dance show at the *auditorium. I am a member of the school dance club. This dance performance is our club's biggest event of the year. We practiced hard every day after school to prepare for the show. I was so happy to see that the audience all cheered.

There were some *food stalls outside, too. For lunch, I ate a hamburger and pancakes with my friends. I also wanted to have some tapioca tea, but I gave up because there was a long line. We got some juice from a vending machine instead.

I enjoyed the school festival very much. I'm looking forward to the festival next year.
